

"The objective of this club shall be educational; to stimulate the knowledge and love of gardening; to aid in the protection of native trees, plants, birds, and other creatures; and to encourage historic preservation, civic planting and the general knowledge of nature."

Membership Proposal Form

To propose a candidate for membership, this form must be completed and signed by an active member and signed by a seconder. Form is due to the Membership Chair by **March 17th** (email is acceptable).

Membership in the Garden Club of Dayton is a privilege, an honor and a commitment. Those proposed for membership should be able to make a commitment to our club. Our active membership is limited in number in order to insure a competent and hardworking group of members.
